PHANTOM PC Racing Trailer

SUPER LOCK. Exterior Aluminum system is unique to US Cargo. Lasts longer, looks much better, resists rust much better. The interlocking aluminum panels are glued and mechanically fastened so that it is not exposed to view or the weather.

Our radial tires come with a **FIVE YEAR WARRANTY** and 24/7 emergency roadside assistance (*with your spare tire).

Heavy Duty Rear Ramp Door w/Spring assist and flap are standard along with 4 ft. beaver tail for easier on-loading, plus 4 x 5000 lb recessed D-Rings to help secure your load.

New generation LED exterior and interior lights - standard. Engineered for superior performance, LEDs are smaller in size but brighter and more energy efficient than traditional incandescent light bulbs and create very little heat.

All models have DryMax. Engineered Flooring, and walls, standard. These high performance engineered panels resist moisture and chemicals - will not absorb moisture, swell, warp, or delaminate. Stronger and stiffer than plywood.

Shown with optional Phantom package interior upgrade.
