TSPP Round Top, Multipurpose Cargo Trailer

Shown with optional ladder racks upgrade

SUPER LOCK™ Screwless Exterior Aluminum system is unique to US Cargo. Lasts longer, looks much better, won't rust or stain. The inter-locking aluminum panels are glued and mechanically fastened so that it doesn't show.

Our standard primer, paint and Z-Tec™ coating provides superior chassis protection for longer, trouble-free life. LED lights inside and out improve performance and appearance.

Rear barn door -standard. Ramp doors optional. All doors have advanced automotive bulb seals -locks out dust, moisture, and road grime for superior protection.

Radial tires standard with 24/7 Emergency Roadside Assistance, improved towing, safety, and performance means added value.

All models have DryMax Engineered Flooring, and walls, standard. These high performance engineered panels resist moisture and chemicals -will not absorb moisture, swell, warp, or delaminate. Stronger and stiffer than plywood.

*Emergency roadside assistance requires your spare tire.
