Choosing The Right Trailer
Just Got A Whole Lot Easier!

Your 10 Best Reasons To Choose A US Cargo Trailer
- Standard On Every Model We Build-

1. Customer Satisfaction Is Our Top Priority
   - Exceptional Customer Experience
   - Stronger, more durable, longer lasting trailer
   - Superior towing capabilities
   - Outstanding quality and value in every trailer
   - Better safety and security
   - 24/7 Emergency roadside assistance*
   - 5 YEAR WARRANTY on our tires
   - LIFETIME WARRANTY on all LED lights
   - 1 Year factory warranty backed by the strength of Forest River Inc.

2. Avoid Popped Or Delaminated Seams
   - Trailer tongue is integrated into the frame for increased strength and better towing.
   - We use only high performance radial tires for better tracking, longer life and overall better performance.

3. Superior Towing Capabilities
   - Advanced automotive foam tape seal provides an impasseable barrier to dirt and the elements.
   - Your trailer will stay drier and cleaner. A metal lip on the jamb presses into the foam tape which blocks dirt and road grime.
   - Our SuperLock .030 interlocking, aluminum exterior system has fewer exposed screws to rust or stain the outside of your trailer. Looks great longer!
   - Three part paint system and exposed metal keeps rust away longer.
   - 24/7 EMERGENCY ROAD SIDE SERVICE ON OUR TIRES*
   - 5 YEAR TIRE WARRANTY FIRST 12 MONTHS NO EXCUSES
   - Silver powder coated wheels resist unsightly rust- stay looking great.
   - Every chassis is fully 2-Tech undercoated for additional rust resistance and superior protection.

4. Greater Interior Protection
   - Better visibility with LED lights -interior and exterior- with a LIFETIME warranty gives you greater confidence while towing or loading.
   - Hinge covers on all doors provide extra security and confidence.
   - Our exclusive high-performance tires ship inflated with nitrogen for more reliable pressure with less risk of blowout and tire damage due to oxidization common in standard air filled tires. Go further with greater safety and confidence.
   - Increased Safety And Security
   - We use only high performance radial tires for better tracking, longer life and overall better performance.

5. Rust & Corrosion Are A Thing Of The Past
   - Better visibility with LED lights -interior and exterior- with a LIFETIME warranty gives you greater confidence while towing or loading.
   - Our adhesive expands and contracts in temperature extremes to resist cracking and delaminating.
   - Our SuperLock .030 interlocking, aluminum exterior system has fewer exposed screws to rust or stain the outside of your trailer. Looks great longer!
   - Three part paint system and exposed metal keeps rust away longer.
   - Our exclusive high-performance tires ship inflated with nitrogen for more reliable pressure with less risk of blowout and tire damage due to oxidization common in standard air filled tires. Go further with greater safety and confidence.
   - 24/7 EMERGENCY ROAD SIDE SERVICE ON OUR TIRES*
   - 5 YEAR TIRE WARRANTY FIRST 12 MONTHS NO EXCUSES
   - Silver powder coated wheels resist unsightly rust- stay looking great.
   - Every chassis is fully 2-Tech undercoated for additional rust resistance and superior protection.

6. Your Trailer Stays Looking Great Longer
   - Sand Pads for tongue jack (shipped loose).
   - Rugged, long lasting, aluminum door holdbacks, not the cheap plastic ones that break easily.
   - Our tubular and I-beam construction for a much stronger frame.
   - 3" Aluminum top and bottom trim provides greater strength and protection.
   - Tubular roof bows which are much stronger instead of the u-channel on other brands.
   - Integrated tongue gives extra strength to the frame.
   - 5 YEAR TIRE WARRANTY ON LED LIGHTS, 5 YEARS ON TIRES
   - US CARGO MAKES CHOOSING EASY!
